Opportunities in Queensland

April 2009

The Business Growth programmes have been an outstanding success in improving the productivity and profitability of new as well as existing practices. This success can be put down to an efficient recruiting process which includes the recognition of **five key strengths**:

- financial planning knowledge
- proven prospecting skills
- proven sales skills
- business acumen, and
- financial standing.

No matter what your situation we will have the resources and the opportunities to suit your business. The following opportunities may suit your business growth plans.

Toowoomba and Brisbane

Experienced adviser opportunity

A large Accounting and Financial Planning firm is looking for an experienced adviser for their Toowoomba office and very shortly their Brisbane office. This practice has offices based throughout Queensland, are growing rapidly and are in need for experienced advisers wanting to experience the same. Experience in Wealth Creation, Retirement Income Streams and or business Insurance would be an advantage. Attractive remuneration terms will be available to the right person.
