Opportunities in South Australia

November 2008

Experienced Financial Planner required

We are seeking an experienced financial planner to work within a professional North Adelaide based business. Excellent remuneration available consisting of salary and bonuses for the right candidate. Strong technical and prospecting skills, particularly with Centre of Influences are required.

Please contact Andrew Harding on 0401 991 143.

Experienced Financial Planner required

We are seeking an experienced and qualified planner who wants to take the next step of their career and would look at buying into a practice. Funding support for equity available when you are ready.

Please contact Chris Regenass on 0401 992 398.

Paraplanner(s) required

Opportunity exists for experienced paraplanner(s) to become part of medium size financial planning practices in the Adelaide area. These people would be responsible for production and plans and the management of administration behind the SOA's and compliance that forms part of good advice. The scope of the job could possibly include back office management of other staff and the implementation of best practice processes and client management systems. Preferably would have completed DFP 1-4.

Please contact Chris Regenass on 0401 992 398 or
Andrew Harding on 0401 991 143.

Paraplanner required

Are you working as a paraplanner and would like to grow your experience as part of a small team and share the back office with other professionals in a growing Financial Planning Business? As well as plan preparation, you would be part of the team implementing all systems and compliance throughout the business.

Please contact Chris Regenass on 0401 992 398.
